

# FROM THE LAPTOP

June 17, 2018

Welcome to church! If you are a guest today, please stop by the *Welcome Centre*, which is located at the coffee stop in the fellowship foyer. We have an informational booklet and gift we would like you to have. Please do come again!

**Today at Calvary** - This is Father's Day. The idea of a special day to honor fathers and celebrate fatherhood was introduced by a woman. Her name was Sonora Smart Dodd. The first Father's Day was celebrated in Spokane, Washington on June 19, 1910. It then spread throughout the world and we have been celebrating it ever since. And all the fathers said *Amen to that*.

Fathers, *today is your day*. We celebrate you. Later I will share part one of a two part sermon that I have entitled, *Life is a Highway*. In this two part message I will single out a father in the Bible named Saul. He really was king of the castle. But everything did not come up roses for Saul. I hope to wave the caution flag and challenge fathers to be alert and attentive on the road of life. Happy Father's day!

Calvary Temple also has a gift to give each father. The gift I have chosen this year is one that we have never given to fathers before. Be assured it is practical and will come in handy.

At 12:00 noon, African Church takes place in the Upper Room.

**Last Sunday** - was Multicultural Sunday. What a great service we had in the morning as the African, Chinese and Spanish church ministered. Calvary Temple is blessed to be a multicultural church family. Bless each one of you for sharing.

And then at 6:00 pm we gathered in the lower auditorium for a fabulous multicultural pot-luck supper. What a great turnout we had. What great food we had. What great fellowship we had. What great games we had. Thank you to all who brought food and made it a great evening.

**Next Sunday: Water Baptism and Barbeque** - Baptismal forms are located in the literature rack in the fellowship foyer for those wanting to be baptized. Deadline is this Wednesday.

Following the service there will also be a barbeque in the church parking lot. Bring a lawn chair and decent weather. Food will be provided by Calvary Temple.

**Missions, and Adopt a Massy Manor Family** - Calvary Temple has adopted two families who were displaced from their Massey Manor Home by the recent devastating fire. As we appealed to you, thank you for helping to meet their needs practically and financially. This is missions in action.

Blessings on your upcoming week!
